## October is Make A Difference Month

Be an Everyday Clean Water Hero and volunteer a couple hours of your time to make a difference. Join the City and County of Honolulu's Department of Facility Maintenance Storm Water Quality Branch and other volunteers to clean a stream, a block, or a park this month at various locations around the island.

A calendar of volunteer events, locations around Oahu, and more details are posted at:

<http://www.honolulu.gov/dfmswq/default.html>

I like to get involved with these efforts every year to improve our water quality, protect our environment, and beautify our island home. In the past I've cleaned Pu'uloa Springs, Kalauao Springs, the Pearl Harbor Historic Trail, Blaisdell Park, and Kapakahi Stream. Bring your friends, your family, or your team and spend part of your morning making your community a better place to live.

My staff and I joined members of the community earlier this month to clean up to different sections of Pearl Harbor Historic Trail.
