Electrifying TheBus Fleet

Councilmember Elefante attended the unveiling of a new electric bus for TheBus. The City is moving towards electrification of its bus fleet, and this vehicle was the first one in this effort.

TheBus Route 53 New Weekend Stops on Kuala Street in Pearl City

We have new Saturday and Sunday bus stops on TheBus Route 53 that began in December. On Saturdays and Sundays, when Route 53 runs exclusively between Pacific Palisades and Pearl City, the regular route will provide service to the retail corridor along Kuala Street instead of Waiawa Road.

Four new bus stops for the **weekend Route 53 only** will be added on Kuala Street at the following locations:

1. Mauka-bound on Kuala Street, far-side of Walmart entrance
2. Mauka-bound on Kuala Street, far-side of Makolu Street
3. Makai-bound on Kuala Street, far-side of Makolu Street
4. Makai-bound on Kuala Street, far-side of Pearl City Gateway entrance (HEA Stop IDs have not yet been assigned to these stops)

As a result of these added new weekend bus stops, service to the following bus stops will be discontinued **for the weekend Route 53 only**:

1. Westbound on Kamehameha Highway, far-side of Acacia Road (Stop #492)
2. Eastbound on Farrington Highway, far-side of Waiawa Road (Stop #679)

I am excited that TheBus will provide weekend service for the community, the shoppers, and merchants along Kuala Street. This will be an opportunity to evaluate seasonal ridership and direct public transportation resources to a heavily transited corridor. Transfers from other routes to reach Kuala Street on Route 53 can be made at TheBus Stop westbound on Kamehameha, far-side of Waimano Home Road (Stop #491) from Routes A, 40, 42, and 51 on weekends only. **There will be no weekday service to Kuala Street.**

For more information, call (808) 848-5555 or go to www.thebus.org.
